

# Northwest District Fire School

Sunday, September 19, 2021

Registration: 8:00AM

Akaska Fire Department

## **Class I: Live Fire Training – Live Fire Attack & Technique**

Training will consist of a short AM classroom session covering basic principles of Safety, SCBA and Fire Streams. The remainder of the AM and all afternoon will be spent doing hands on training with Live Fire. Participants will put their knowledge and skills to use in the two-story Mobile Live Fire Training Unit. Any students needing to fulfill the 'Live Fire Training' portion of their SD FF Certification Blue Card should bring it to class. Equipment Requirements: Students must have *full Structural PPE (including hood)* and SCBA in **GOOD & SERVICEABLE condition** that was NFPA compliant at manufacture date. If possible a spare SCBA cylinder should be brought as well.

Instructors: Platte Fire Department MLFTU Cadre

## **Class II: Rural Pump Operations**

This class will cover the operations of small portable drafting pumps. Students will learn how to draft from a type 6 engine for wildland and drafting from an engine for structure fires. *morning and afternoon session*

**Wildland PPE is required for this class**

Instructor: TBD

## **Class III: Large Fire Discussion**

Utilizing knowledge learned in the "Windy" Fire and the "Divide" Fire and other large fires in our area, instructors will lead a round table type discussion platform covering operations, logistics and finance along with processes to organize and dispatch mutual aide from area departments.

*morning and afternoon session*

Instructor: Instructor: TBD

*-those registering for classes 2 & 3 will be broken into two groups and will take one class in the morning and the other in the afternoon-*

**District Meeting: 12:00**

**School Fee: \$20.00 per Firefighter**

**Noon Meal: \$10.00 per Firefighter**

**Department Dues: \$100.00**
